

Here Is How STEER's Three-Way Partnership Can Work For You.

We will provide you with Dedicated UNIT Funds to get into the project of your choice.

How Much Will It Cost To Participate In The Livestock Program?

Your labor, feed and care.

How Much In The God's Acres?

Only your labor and the use of your land and machinery.

What About Losses?

All livestock and crop investments are covered by our insurance and depreciation fund. This includes vet fees, death loss, and depreciation losses on the investment in livestock.

How Will I Market The Livestock Or Crop?

You will market the livestock or crop in the name of STEER, Inc. If you are selling some of your own livestock or crop at the same time, you can simply take the overall average and have the marketing agent make the check payable to STEER, Inc. for the portion which is designated to missions. By not involving your personal account you will not have to declare as income or pay Social Security Tax on the STEER Project.

When Sold, What Amount Is Paid Out To The Mission?

A large percentage of the gain goes to the mission as designated by the farmer. The remaining portion is used for replacement costs, death and depreciation losses and administration. The original investment (donor UNIT) is always retained to be reinvested in another project. (For updated percentages, contact the STEER office.)

On short term investments such as feeder cattle and God's Acres, the gain is the amount remaining after the original investment is deducted. On long term investments such as beef cows, hogs, etc., the offspring become the gain. The milk is the gain on dairy cows. The dairy cow's offspring is used to reduce the higher purchase cost on this kind of investment.

What Are The Benefits?

- Increase your giving to world missions with no cash outlay.
- There is no risk or hardship.
- You will not have to declare the project as income or pay Social Security Tax.
- You will be giving to world missions in good or bad years.
- You can use your farm/ranch in service to the Lord Jesus by raising dedicated livestock and crops for world missions.
- Gives you a tremendous opportunity to witness for Christ in your family and the marketplace.

How Can I Become Involved?

FILL OUT THE FORM ON THE REVERSE SIDE AND WE WILL CONTACT YOU WITH FURTHER INFORMATION OR PHONE 701-258-4911 OR EMAIL ministry@steerinc.com.

*The STEER brand symbolizes the 3-way
ministry partnership*

...about how you can use your farm or ranch in the support of missionaries or mission projects around the world.

- Have you and your family ever wondered how you can make a greater impact with your resources by using your farm/ranch to help support individual missionaries or mission projects?
- Have you wondered how you can tithe a portion of your feeds, grain, hay, etc., without any cash outlay?
- Has it been hard for you to keep your mission commitments because of lack of cash?

The three-way partnership program of **STEER** could be your answer.

*"The Cattle Upon a Thousand Hills are Mine."
Ps. 50:10*
