

## *Why should a Farm or Ranch Family be involved in the STEER, Inc. Program?*

1. It enables a farm/ranch family to raise dedicated livestock and crops for world missions with no cash investment.
2. There is no risk or hardship, and they will be giving to world missions in good and bad years.
3. It affords them the opportunity to tithe a portion of their grains and feeds, and they do not have to declare the project as income or pay Social Security Tax.
4. This method provides a daily visible witness for Christ and missions in their home and in the market place.

**STEER, Inc., PO Box 1236, Bismarck, ND 58502 - 701-258-4911**
